TROUBLE FEARED

RELIGIOUS DEBATE IN GRAVES TO BE HEARD BY MANY.

Mayfield, July 1—The religious debate at Sedalia, seven miles south of here, began yesterday between J. N. Hall, editor of the Baptist Flag, and R. H. Pigue, editor of the Methodist. "Wild Bill" Evans, a Methodist evangelist, has been in this section since Friday circulating printed matter severely criticising Hall, which has stirred up much feeling among the people. Trouble of some nature is feared as the result of the high state of feeling that now exists. Thousands are expected to be in attendance.

THE BOSS WORM MEDICINE.

H. P. Kumpke, druggist, Leighton, Ala., writes: "One of my customers had a child which was sick and threw up all food; could retain nothing on its stomach. He bought one bottle of White's Cream Vermifuge and it brought up 119 worms from the child. It's the boss worm medicine in the world." White's Cream Vermifuge is also the children's tonic. It improves their digestion and assimilation of food, strengthens their nervous system and restores them to the health, vigor and elasticity of spirits natural to childhood. 25c at DuBois, Kolb & Co.

FIRST WOMAN STENOGRAPHER DEAD.

New York, July 1—In the death of Eliza Boardman Burnz her sex loses one of its staunchest friends and a strong personality passes away. She was known as "the grand old woman of stenography," having been the first girl stenographer of years ago. She was 80 years old when she died. She learned shorthand writing of the originator of the present system, old Isaac Pittman, in England when she was 15 years old. Two years later she came to America and was in 1847 the only woman stenographer in America.

THE PERFECT LIVER MEDICINE.

Mrs. M. A. Jolley, Noble, O. T., writes: "I have used Herbine for a number of years and can cheerfully recommend it is the most perfect liver medicine and the greatest blood purifier. It is a medicine of positive merit and fully accomplishes all that is claimed for it." Malaria cannot find a lodgment in the system while the liver is in perfect order, for one of its functions is to prevent the absorption of fever-producing poisons. Herbine is a most efficient liver regulator. 50c at DuBois, Kolb & Co.

CHRISTIAN ENDEAVOR MEETING

Denver, Colo., July 1—Arrangements are complete for the meeting in this city of the twenty-first international biennial convention of the Society of Christian Endeavor. The sessions will be held in Tent Endeavor, which will be pitched in a convenient place near City park, and will have a seating capacity of 10,000. Overflow meetings will be held in several of the larger churches.

One of the features of entertainment for the delegates and visitors will be a grand concert in the Tent Endeavor the night preceding the opening of the convention.

REPULSIVE FEATURES.

Blackheads, pimples, greasy faces and muddy complexions, which are so common among women, especially girls at a certain age, destroying beauty, disfiguring and making repulsive features which would otherwise appear attractive and refined, indicate that the liver is out of order. An occasional dose of Herbine will cleanse the bowels, regulate the liver and so establish a clear, healthy complexion. 50c at DuBois, Kolb & Co.

EASTERN CAPITALISTS INSPECT

Sturgis, Ky., July 1—Thomas A. Nevins and other capitalists from the East have arrived here in a private car to inspect the United States Coal, Coke and Gas Co.'s property, of which Mr. Nevins is the principal stockholder.

CURES SCIATICA.

Rev. W. L. Riley, LL.D., Omaha, N. Y., writes: "After fifteen days of excruciating pain from sciatic rheumatism, under various treatments, I was induced to try Ballard's Snow Liniment, the first application giving me relief, and the second entire relief. I can give it unqualified recommendation. 25c, 50c and \$1 at DuBois, Kolb & Co.

GEORGE MEREDITH ILL.

London, July 1—George Meredith, the novelist, who has been ill for some time, has suffered a relapse and his condition is pronounced to be serious.

VETS IN SESSION.

ACTIVE WORK PREPARING FOR ENCAMPMENT BEGINS MONDAY.

A meeting of Confederate Veterans was held last night at the city hall for the purpose of talking over the reunion next October in Paducah of the Second brigade, Confederate Veterans of Kentucky.

The members of the camp discussed various matters for about two hours and it was decided to begin the active work of preparing for the reunion next Monday, when the meetings of various committees will begin.

The committee to locate a site for the camp, is composed of Captain Herndon, chairman, and Messrs. B. H. Scott, Al Townsend, Stewart Dick and Dr. J. G. Brooks, and it meets next Tuesday evening at Major Moss' office on legal row.

The camp admitted four new members last night, as follows:

O. L. Thompson, of company C, First Kentucky regiment; James B. McManus, of company G, Third Kentucky; W. S. Moore, of company C, Eighth Kentucky, and H. A. Middleton, of company C, Eighth Kentucky.

BURIAL AT FULTON.

WELL KNOWN WOMAN EXPIRES IN TEXAS.

Word has been received here of the death of Mrs. J. H. Hall, at Waco, Tex., and the remains are now en route to Fulton, her former home, where they will be buried.

The deceased died Wednesday and was about 43 years of age. She leaves a husband who will accompany the remains to Fulton. Among the relatives she leaves at Fulton are Mrs. Thomas N. Fields, Mrs. Lehman Browder and Mrs. Barl, the latter of Bardwell, all sisters.

Bears in a Lawsuit.

At Berno, Switzerland, are kept bears that belong to the town, and are treated as citizens. Their ancestors at the end of the eighteenth century were left a legacy by an admirer, and as the sum came to several millions of francs, their keepers used to enjoy themselves very much, the bears being looked upon as minors. But after the French revolution Gen. Brune, who had invaded Switzerland, walked off with the bears' property and left them penniless. Another admirer has now left them a legacy, but the bears are still unfortunate, for the parish of Porrentruy lays claim to the money and intends to bring the matter before the law courts.

Grip's

Grim Grasp Caused Heart Disease.

Could Not Lie On Left Side.

Dr. Miles' Heart Cure and Nervine Cured Me.

Mrs. H. R. Jobe, formerly of Birmingham, Ala., writes from Eldridge, the same state, as follows:

"It is with the greatest pleasure that I recommend Dr. Miles' Nervine and Heart Cure. I only wish that I could tell every sufferer how much good they have done me. Last winter I had a severe attack of La-Grippe, which left my heart in a very bad condition. I could not lie down for the smothering spells that would almost overcome me and the feeling of oppression around my heart. I had not been so that I could lie on my left side for a long time. I got your Heart Cure and took three bottles. I have no trouble now with my heart and can lie on my left side as well as my right. Formerly I had suffered for years with nervous prostration. I had tried so many remedies that I had got clear out of heart of getting anything that would help me. The nerves of my heart were so affected that sometimes it would lose beats so it would seem to stop altogether. It was on the advice of a lady friend that I tried your Restorative Nervine. I felt better after the first few doses and two bottles of Nervine and one of Heart Cure made me feel like a new person. My heart is all right and my nervousness is all gone. I never fail to recommend it to others afflicted as I was."

All druggists sell and guarantee first bottles. Send for free book. Diseases. Address.

OUTING SPOTS IN THE NORTHWEST

There are many places in the country of the Northern Pacific, some inexpensive, others better and more expensive, where one can spend the summer days pleasantly and healthfully. Among these are Walker in the Leech lake country, and Detroit and Battle Lake in the Lake Park region in Minnesota; Eaton's ranch, near Medora, N. D.; Hunter's Hot Springs in the Yellowstone valley, and Missoula and the Bitter-root valley in Montana; Lakes Pend d'Oreille and Cour d'Alene, Idaho; North Yakima in Eastern Washington, and Green River Hot Springs in the Cascades; Tacoma, Seattle, Port Townsend, Port Angeles and Victoria on Puget Sound, and many places along the Columbia river and on the Pacific Ocean from Portland as a center.

Those east of the Mississippi who wish a decided change should go to the Rockies or the Puget Sound and Columbia river and sea coast country. We can only hint at these things here, but write us giving particulars as near as you can, and we will try to give you the needed information to enable you to find what you want. And don't forget that Yellowstone Park is the chief of all tourist shrines.

Send to Chas. S. Fee, General Passenger Agent, St. Paul, Minn., six cents for "Wonderland 1902." You need it in your business.
